Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Art Unit: 3628

The prior art taken alone or in combination failed to teach or suggest linking a purchaser identifier inextricably linked to delivery data of a purchaser such that any change or attempted change to the delivery data will render the purchaser identifier inoperable for identifying a particular purchaser as recited in independent claim 1.

The prior art taken alone or in combination failed to teach or suggest the processing system being programmed to detect a change or attempted change in the delivery address linked to the purchaser identifier and, in response, render the purchaser identifier inoperable as recited in independent claim 14.

The prior art taken alone or in combination failed to teach or suggest generating the purchaser identifier inoperable in response to any change or attempted change in the stored delivery data as recited in independent claim 17.

The prior art taken alone or in combination failed to teach or suggest a purchaser identifier that is inextricably linked to the delivery data such that if the delivery data is changed or attempted to be changed the purchaser identifier will be rendered unusable as recited in independent claim 20.

The prior art taken alone or in combination failed to teach or suggest a unique consumer identifier is assigned to the consumer account, the at least one delivery address associated

with the unique consumer identifier cannot be changed without causing the unique consumer identifier to be disabled as recited in independent claim 22.

The prior art taken alone or in combination failed to teach or suggest linking the purchaser identifier to the delivery data such that any change or attempted change to the delivery data will render the purchaser identifier inoperable as recited in independent claim 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Universally Secure, (AT&T will launch new SecureBuy service that allows cardholders to make secure Internet purchases using their AT&T Universal Cards), Card Fax, v96, n180, p2, October 09, 1996, Dialog file 9, Accession No. 01076638.

Walker et al. disclose a system and method for controlling authorization of credit card transactions.

The AT&T disclosure or Walker et al taken alone or in combination failed to teach or suggest the above noted features recited in independent claims 1, 14, 17, 20, 22 and 25.
